

## Commentary July 19, 2008 Regional XTC Match

Eighteen competitors showed up on Saturday to shoot our July 80 shot across the course match. The rain predicted for late in the afternoon showed up just a bit early and I had to call off the match at 2PM because of the heavy rain. However everyone was able to shoot their off hand, rapid sitting and rapid prone so we used those sixty shots to decide the July XTC winners. Thank you very much for supporting the Cadillac Sportsman's Club High Power matches.

The Overall Match Winner was Ryan Vander Poppen with a 579-12X

First in Master Class was Roger Franklin with a 572-14X

First in Expert Class was Jay Mayer with a 570-9x

First in combined Sharpshooter/ Marksman class was George Kolarik with a 539-5X

Good luck to you shooters heading down to Camp Perry for the Nationals.

The next Cadillac matches will be August 23 and 24. There is also a 3x600 Match at Midland on August 2

The September Cadillac Match will be Sept. 6 and 7 followed by a Grayling Long Range match on Sept. 13 and 14
