

**Match Results 3x600 Mid Range Match Cadillac Sportsman's Club
Sept. 9, 2007**

We had nineteen competitors shoot the Cadillac club's season final 3x600 Mid Range match. Eight of the nineteen shot F class.

The overall mach winner was Mat Haslem with a score of 594-21x. Mat won last month too and again Mat was using the Palma rifle he won in a raffle to support the young Palma shooters. I know Mat has now won more money than the \$25.00 he donated for the raffle ticket.

Pete Church shot some excellent scores using his 22/250 caliber rifle until a bullet 'went missing' in the third match and cost him a loss of 10 points, the only points Pete dropped during the match. Pete had a 200-12X in both match one and match two.

Mike Ross was the F class winner with a score of 581-17X. Mike had a rocky start when he realized he left his front rest and rear bag at home. Luckily Pete Church had a rest and bag in his truck and loaned them to Mike. Mike also tangled with his scope a few times and then also over came that obstacle.

I would also like to thank Mike Ross and Tom Palethorpe for donating their awards back to the Cadillac Club. Tom's award was from a previous match.

I would like to thank all the competitors for supporting the Cadillac Sportsman's Club High Power matches. We had a successful season; we did not cancel any matches this season. We only had the slightest bit of rain at the August match. I would also like to thank Ken Orris, Al Barnhart and Chuck Wagner for their help in maintaining the targeting, target carriers and the range grounds.

Sharon Franklin deserves a thank you for donating the Chili at our final match for our chili and ice cream feast.

I hope to see you all next season.
