

Results Cadillac Sportsman's Club 3x600 Mid Range Prone Match

We had thirteen competitors for our August 19th 3x600 Mid Range match. Six of the thirteen competitors shot F class. The weather was cool, overcast with occasional light showers and the occasional gust of wind. The covered 600 yard firing line and covered pits kept the shooters and their equipment fairly dry.

The Overall Match Winner was Mat Haslem, shooting a 587-26X. Mat was shooting a Palma rifle he had just won in the Junior Eagles raffle. This was the first match for this rifle.

The combined Expert, Sharpshooter and Marksman class aggregate winner was Roger Franklin with a score of 584-22X.

The F class aggregate winner was Brad Sauve with score of 579-18X.

The combined class individual match sling high scores were:

Match 1	Tom Eschbaugh	197-9X
Match 2	Rob Colebank	198-10X
Match 3	Roger Franklin	195-9x

The F class individual match high scores were:

Match 1	Mike Ross	196-7X
Match 2	Frank Pagel	192-3X
Match 3	Brad Sauve	198-7X

The next matches at the Cadillac Club will be an across the course match on September 8th and a Mid Range 3x600 match on September 9th. These will be the final high power matches of the 2007 season.

There will also be a Palma and 1000 yard match at Camp Grayling on September 15th and 16th. F class is welcome at Grayling.

Thanks for supporting the Cadillac Sportsman's Club High Power matches. I hope I will see you at the September matches.
