Report on Adult indoor. 22

We had 7 shooter and one Kibitzer, Steve Kolarevic, who brought in his old Winchester Mdl. 67 boys rifle for show and told stories about being a gunner on a M48A1 tank in Germany during the Cold War. Steve has been a member of the club for over 50 years.

Other gun talk among the shooters was about how different brands or grades of brands shot in our rifles.

Jeff Madison's wife Debra was kind enough to bring in a tray of chocolate chip cookies for us as a bonus to today's shooting.

Six shooters shot the 50 cent match; Jeff Madison was the winner with a score of 198-15X, shooting off a sling with a scope. Wolf ME ammo

Second was Bob Lorenz shooting a scope F tr. style with a 196-11X Federal Match ammo.

Tied for third was Bob Hansen shooting a scope F tr style and Taylor Grissom shooting sling with Iron sights. Both shot a 195-9X Bob was shooting hollow point plated bullet ammo that come in a 40round box. I cannot remember the brand. And Taylor I think was using Eley or Lapua ammo.

Fifty Cent Match Scores:

Jeff Madison	98-6X, 100-9X	total 198-15X Sling and scope
Bob Lorenz	99-7X, 97-4X	total 196-11X Ftr and scope
Taylor Grissom	97-3X, 98-6X	total 195-9X Sling and Irons
Bob Hansen	98-6X, 97-3X	total 195-9X Ftr and scope
Gary Macy	91-1X, 93-3X	total 184-4X Ftr and scope
Jim Grissom	90-2X, 89-2X	total 179-4X Sling and Irons

As winner Jeff won the pot, \$6.00 and a scratch off Lottery ticket. For Second Place Bob won a scratch off Lottery ticket and it was a loser. Jeff gave his ticket to his wife, Deb and I am awaiting a report on whether she won anything or not.

We are still waiting to hear if Dave Wuethrich (aka Snake in the Grass) won anything on the lottery ticket he won last week. Jim Dietlein did not win anything on his lottery ticket from last week.

The fifty cent match is shot on the A 36 target, 20 shots for record, any sight, any rest.

We will shoot again next Saturday 11am to 3 pm.
