ARA

Bob Hoard has scheduled matches starting in the spring with shooters from around the US. As soon as weather breaks we will start construction on the expanded shooting area on the Rifle Practice Range.

Highpower Matches

The schedule is set for 2006 matches at our range. We will publish that schedule in the winter newsletter.

Archery

The outdoor range will open in the spring when weather permits. Hopefully a few more archers will take advantage next year of the 3-D range that Casey and Brad have set up.

Steel Challenge

This program is anticipating a spring restart.

IDPA

December had a good match despite the weather. There will be no January or February matches. A tentative indoor Classifier in March is scheduled.

CPL/CCW Classes

Wayne Mulder will be holding classes the 2nd Sat. in Jan., Feb., March, and April.

Call him at 231-775-9525 to get in the first available class.

Sight-In Days

The weather was not our friend this year during the 2 weekends prior to firearm deer season. We were down about 30% in our shooters and income over all.

Jane Finnerty would like to thank all of those members who gave of their time to help out this year.

MUCC NEWS

Preventing CWD in our deer herd, Dove Referendum, Inland Hunting and Fishing Tribal Negotiations, Great Lakes Protection, these are just 3 of the many issues that MUCC is working on daily in Lansing for us. All of these issues are a drain on the resources of MUCC away from the education programs that the most important part of their mission. Please consider making a financial contribution to MUCC to help fund legal and legislative issues. Go to www.mucc.org or call 800-777-6720 to make a donation.
