Raking, backstop replacement, tree trimming, etc. will be accomplished quickly if we have a good turnout of members. We will start about 5:00 pm and will cook some hotdogs for all that show up. Bring your rakes, shovels, wheel barrows, leaf blowers, and strong backs!! Rain date will be May 11!!

Junior 22 Rifle

There are 10 dedicated Junior 22 shooters that have quickly risen to the top of their class this year. A couple have done an outstanding job of moving thru the ranks! We congratulate all of this year's Juniors and encourage them to keep up their marksmanship skills.

Indoor Handgun

This year we have had 15 steady shooters and many new guests come to try out the fun on Tuesday nights. This year we added a BUG (back-up gun) division, that that has proven to be as popular with everyone as the other disciplines.
